

Touching the Untouchable

C.S. Lewis wrote in his book "The Four Loves"

"To love at all is to be vulnerable. Love anything and your heart will certainly be wrung and possibly be broken....the only place outside heaven where you can be perfectly safe from all the dangers of love is hell"

A strategy of isolation

Why is this way so popular in religious people?

How do we / I practice this at times?

THE MIRACLE OF APPROACHABILITY

**"The MORE religious the Rabbis were
the more unapproachable they became!!!"**

Discuss how this happens in our day?

**"Am I becoming MORE or LESS approachable?"
"How available am I to the people in my world?"**

41 Filled with compassion, Jesus reached out his hand and touched the man. "I am willing," he said. "Be clean!"

THE MIRACLE OF THE IMMACULATE INFECTION

How do we become less isolated and more infectious without compromise in our lives?

*"....the leper didn't infect Jesus with his sickness
Jesus infected the leper with his life!!"*

How did Jesus use of **yeast** help us understand evangelism? Mat13
