

## Ozito Blower Vacuum Mulcher

### [Bing Videos](#)

The Ozito Blower Vacuum BLV-2401 provides a complete solution to your garden maintenance needs with the 3 in 1 blower, vacuum and mulching functions.

It is ideal for blowing leaves, grass clippings and other debris from courtyards, driveways, decks and footpaths. The variable speed ensures greater control when blowing different material.

The single-action lever allows a quick change from blow to vacuum mode and is ideal for vacuuming leaves, grass clippings and garden debris.
