Dear TBC,

Jen & I would like to thank you for the recent gift sent to our account last week. We value your ongoing partnership and thank you for standing with us.

The fruit of your partnership is now seen in 5 teams firmly established as they reach out to 5 new areas that don't have a Gospel influence amongst the 22 million Isaan people group. We are seeing traction, as we care for, mentor and coach and pastor these teams, with them making good relationship connections through access ministry. Isaan people are hearing the Good News for the very first time, which is a huge joy.

So, thank you for your contribution to get the Good News through this large unreached people group.

We plan to step down from this role and leave Thailand around mid to late 2020 and transition into a new role overseeing the Area of migrant outreach in Australia (still with Pioneers). We will, of course, keep you informed as plans develop.

With every blessing for a great Christmas and happy new year,

Phil & Jen
